

# News from the Lakers!

The weather gods were terribly unkind to all on the weekend and at end the day our poor ground took a large hit.

Training this week has been effected and each group should have been advised of alternative training arrangements.

A special thanks to the large number of parents who provided genuine support of the day, from boundary umpires, runners, mentors, goal umpires and trainers who along with the boys and girls had to face the full effects of the weather.
