

# News from the Lakers!

?

?

Wet weather footy was the name of the day on Sunday on a muddy Darley Oval. Hope all the mums were able to get those white shorts nice and clean!!

The day was one of mixed results with the 4 of the games on the day all being decided by 5 points or less, and only the 12 Seniors and 16.5's Seniors getting the points on day. The netball was a little more one sided and only our 16.5's girls managed to win leaving them undefeated. Our girls team travelled to Riddells Creek but were outclassed by a strong Redan.

Please note that this week is a double header and all players will need to show their membership cards at the gate to get free access to the ground.

Given that the boys play Saturday this week its an ideal opportunity for all to come along on Sunday at the Western Oval to support our Lakers Girls Team who'll play at 12pm.

## Team Photos

Thanks to all for assisting with the team photos last week. We are still taking orders so if you forgot on the night please contact Nat on 0400 681 870 to order.

## **CYBER SAFETY**

### **Growing up online - what all kids need to know about cyberspace but what technology fails to teach them.**

The Ballarat FNL is pleased to advise that league sponsor Telstra Country Wide has partnered with the Ballarat FNL, Ballarat Netball Association and Netball Victoria to bring Susan McLean who is a well recognised Cyber Safety expert to Ballarat on the 4<sup>th</sup> of June to speak to young people and their parents from years 7 to 12.

With the explosion of cyber technology, we are also seeing a dramatic rise in the negative impact of such technology. The issue of cyber bullying, harassment and 'sexting' is emerging as the number one issue confronting the safety and wellbeing of young people and the wider community. With the popularity of social networking sites such as, Facebook & Twitter, today's youth have access to and are accessible by many millions of people worldwide.

Teens are often not aware that their words and or photos, which may have been intended for a small audience, sometimes find their way to a larger one, often with both unexpected and undesirable consequences.

**Susan will be speaking at the Wendouree Centre for the Performing Arts Centre, with the details as follows:**

**Date: Monday 4th June 2012**

**Time: 6.30pm – 8.00pm**

**Venue: Wendouree Centre for Performing Arts, Howitt Street**

## **Off Field Behaviour**

On the weekend there were a couple of incidents involving parents. Each club has a designated Ground Manger who role is to liaise with members of the public to ensure that the game is free of problems. If you feel uncomfortable with language, physical behaviour etc please contact the Ground Manager rather than dealing with the matters yourself.

## **Merchandise**

We have a number of old footy jumpers for sale at \$25. These are ideal for training especially as the weather starts to deteriorate. Hoodies, track pants and bags are also available for purchase. Contact Jodie Gilbert on 0438 301 027 for orders.
