

News from the Lakers!

What a mud bath on the weekend! Fortunately the Under 12 netballers were able to play at Llanberris on Friday night under cover, and therefore were the only Lakers players this weekend to stay warm and dry.

As for the rest, real winter conditions were faced for the first time for the year and girls froze whilst the boys all got very dirty.

Our netballers all managed to get the points, whilst our 12 reserves, 14 seniors and 16.5's seniors managed good wins in terrible conditions.

We now play at home for the remainder of the home and away season with Mt Clear this weekend so GREEN shorts.

A reminder to all parents that the club is run by volunteers. We require all parents to assist on game day whether it be via the canteen and BBQ roster or goal umpiring, time keeper etc. A big thank you to those parents who continually put their hand up to help the boys and girls take the ground/court each week, and a request from those who don't or fail to turn up, please get involved to assist your kids play.

We have 2 home games to finish the season and need parental support to enable the kids to play.

Please contact **Julie Butler** on **0417 363 172** to register your time for the canteen and **Neil McKechnie** on **0419 870 957** for the BBQ.

Auskick was a huge success yet again this year held under lights on a Friday night during Term 2. All children enjoyed and embraced learning many aspects of the game of football as well as getting muddy and dirty.

Some highlights for the year were the goal kicking competition with a guest appearance from Orren Stephenson from Richmond Football Club which all children loved regardless of who they barracked for in the AFL. The parent-child game proved popular with the children winning yet again. A pie night and sausage sizzle was held throughout the year and thanks to all who donated and supported these social events.

A big thankyou must go to our Auskick Co-ordinators Leah Mikus and Tracey Anderson who took on this role for the first time this year and to the coaches Mark and Tom, who provided the children with an introduction to the basic skills of Australian Rules Football. Well done boys! Also to the many parents who helped out each week, without this help the Auskick program could not run as successfully as it does. Thanks also to Nathan Reid who after many years handed over the running of Auskick but still offered his support and made guest appearances which the children from previous years loved.

Many children from the Auskick program will go on to play football with the Lakers Junior club and we look forward to seeing them progress with their football over the years.

Help for Isaac Neblett...

As many of you may be aware one of our junior boys has some major health battles ahead. Last year a fundraiser was held to support Isaac and his mum Steph, and unfortunately they again need our help.

They need to relocate and require help from anyone, big or small, tradie or not, labour or materials to assist with some renovations to make their home livable and reduce the financial burden.

If you are able to assist, please contact Jill Broadbent on 0408 058 954.
